

H-Baffle  
Color #444

# H-BAFFLE

## ACOUSTIC DESIGN ELEMENT

The EchoPanel H-Baffle is designed to look great while dispersing and absorbing excessive noise. The H-Baffle can hang at any height in regular rows or random groupings to create wayfinding or other visual design solutions.

H Baffle #579

Design aesthetically and acoustically winning interior spaces with the infinitely customizable and ecologically sound EchoPanel® acoustic panels and tiles. Take the next step in functional, beautiful, sustainable design.
