

Residential 10-Year Limited Warranty

IceStone, LLC (“IceStone”) will warrant from 10 years from the original date of installation durable surfaces that fail due to any manufacturing defect when fabricated and installed by an IceStone Certified Fabricator and when purchased directly from IceStone or an authorized distributor. A list of IceStone Certified Fabricators and authorized distributors can be obtained by calling IceStone at (718) 624-4900 and is also available at www.icestoneusa.com. This limited warranty applies to material that has been permanently installed in the Owner’s residence. This limited warranty does not cover the costs of labor, transportation, freights, tear-out, demolition, disposal, reinstallation, fabrication or associated costs beyond the original cost of materials to repair or replace the product. The option to repair or replace the material is at the sole discretion of IceStone. At its sole option, IceStone reserves the right to provide a refund. Although the product is carefully inspected prior to shipping or delivery from IceStone’s location, it is the responsibility of the Owner or Owner’s Representative to thoroughly inspect and approve the product upon its receipt. Any damage to the product thereafter is the responsibility of the Owner. Fabricators are required to perform a visual inspection of all materials prior to fabrication and again prior to installation. This limited warranty also does not cover any defects that were visible at the time of fabrication and were not avoided during fabrication.
