SOUND

Shape the sound of your space beautifully with new EchoPanel® from Kirei.

Versatile EchoPanel® acoustic panels and tiles add color and style to any space while absorbing extra noise. EchoPanel® panels and tiles are manufactured using recycled PET plastic bottles, eco-friendly dyes and no added adhesive, resulting in a Green Tag™-certified product which can help gain LEED™ green building credits.

ECHOPANEL® PANELS ARE CREATIVE SOUND DESIGN

Design something simple...or spectacular! Use EchoPanel® flat panels adhered to walls and ceilings for clean looks and sound absorption up to .85 NRC, or custom cut and print EchoPanel® to create sculptural elements that hide acoustic control in plain sight. Made from up to 60% recycled PET plastic, EchoPanel® helps reduce landfill waste and can help projects qualify for LEED credit.

CUSTOMIZE

EchoPanel® can be digitally printed and custom cut with CNC, laser, waterjet or hand knife to make your design ideas come to life.

TILES

MURA TILES

FAST AND EASY ACOUSTIC DESIGN

Quickly add dimension to any wall. Hollow thermoformed Mura tiles are lightweight and highly sound absorbent, plus a speedy clip system enables fast installation. Mura tiles achieve Class A fire rating right out of the box, and have up to 60% recycled content to help contribute to LEED credits. Wave, Dune and Rise .45 shapes plus 10 color options are a versatile palette to elevate any room.

AVAILABLE COLORS

WAVE

Inspired by the undulating ocean, our Wave tile provides both a steady design force and rhythmic forms. Simple clip system installation.

WAVE Dimensions:

2.36" x 19.68" x 19.68"

60mm x 500mm x 500mm

Sound Absorption: NRC .55

Fire Rating: ASTM E84 Class A

9 tiles per box plus clips for 3x3 installation

PROFILE

RISE .45

The Rise .45 is a ruffled pocket square in an otherwise conservative suit, with slick design and acoustic control in an unassuming package. The simple clip system enables easy installation and replacement.

RISE .45 Dimensions:

2.56" x 17.72" x 11.81" (65mm x 450mm x 300mm)

Weight: .39 lbs/tile

Sound Absorption: NRC .75

Fire Rating: ASTM E84 Class A

VOC Emissions: ASTM D5116 <.07mg/m²/hour

10 tiles per box plus clips for 5x2 installation

PROFILE

Dune #542

DUNE

Our Dune Tiles use the organic form of shifting sands to provide a design element that can be at once fixed in place as well as ever-changing. Simple clip system installation.

DUNE Dimensions:

1.97" x 19.68" x 19.68"

50mm x 500mm x 500mm

Sound Absorption: NRC .60

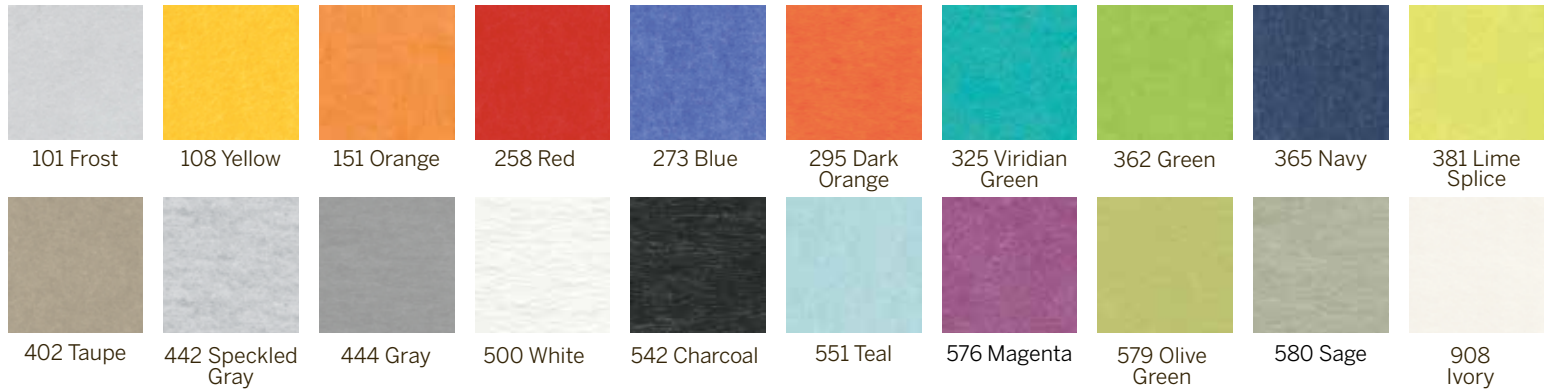

Fire Rating: ASTM E84 Class A
