

EchoPanel® Tile

Topo Tile
Colors #442 & #542

TOPO TILE

ACOUSTIC DESIGN ELEMENT

Topo Tiles are a simple sound solution for spaces where noise matters. Add 3-D visual appeal, texture and sound absorption to any flat wall.

Design aesthetically and acoustically winning interior spaces with the infinitely customizable and ecologically sound EchoPanel® acoustic panels and tiles. Take the next step in functional, beautiful, sustainable design.

PIXEL

Pixelate your walls! This eye-catching style offers 36% layered coverage per tile, adding increased sound diffusion and absorption. This design can be used in regular or staggered patterns for an array of visual effects.

SPECS:
