GILASI RECYCLED GLASS

Gilasi Recycled Glass is a durable surface made of aeronautics-grade, VOC-free epoxy resin, and 77% - 85% recycled material. The combination of Gilasi's ingredients results in a beautiful, non-porous countertop material that enriches any décor. The recycled glass used in Gilasi is sourced from within 250 miles of their manufacturing facility in Chicago. Its variety is dazzling: from broken hand-blown lighting fixtures in a myriad of colors to finely crushed container glass, each type of glass creates a unique style. Gilasi can be infinitely customized to fit your personal needs and aesthetic.

GENERAL INFORMATION

- Width: 28", 46", or 62"
- Length: 109"
- Thickness: 2cm or 3cm
- Applications: countertops, stairs, and furniture

SUSTAINABILITY

- Made in the USA
- 77% - 85% recycled content by weight
