HEIRLOOM & PRESTIGE BY EXPANKO

Expanko's natural cork flooring is attractive but it is also durable, affordable, and easy to maintain. Heirloom 1/2" thick natural cork flooring has a proven record of high performance in commercial facilities. With installations up to 80 years old, Expanko is the pioneer of half-inch cork floors. Prestige is thinner than Heirloom and made from pre-consumer cork waste, offering an environmentally friendly alternative to hardwood floors.
