XCR5 BY EXPANKO

XCR5 flooring is made from a unique blend of recycled cork and rubber. It combines the benefits of these two components creating a colorful, UV-resistant, water-resistant, hardwearing floor that is FloorScore® Certified. The benefits of XCR5 include resilience, comfort, color fastness, sound-reducing qualities, and slip resistance. It is available in a color palette that includes earthy neutrals, jewel tones, and bright coloring, which meet the needs of both demanding commercial and residential installations.
